

DECLARATION OF EMERGENCY

**Office of the Governor
Division of Administration
Racing Commission**

The Louisiana State Racing Commission is exercising the emergency provisions of the Administrative Procedures Act, R.S. 49:953(B), and pursuant to the authority granted under R.S. 4:141 et seq., adopts the following emergency rule effective November 14, 2011 and it shall remain in effect for 120 days or until this rule takes effect through the normal promulgation process, whichever comes first.

The Equine Medical Director of the Louisiana State Racing Commission has advised that the concern regarding Equine Piroplasmiasis remains, but has been narrowed to the strain, Theileria equi. The need for a negative test for Babesia caballi is no longer required due to the extremely low incidence of Babesia caballi, This will significantly reduce the cost of the testing for the owners of the racehorses requiring testing for Equine Piroplasmiasis.

This proposed rule has no known impact on family formation, stability, and/or autonomy as described in R.S. 49:972.

Record of the negative test shall be attached to registration papers of the horse upon entry to the racetrack. The trainer of the horse is responsible for insuring that a negative Piroplasmiasis test result is in the racing secretary's office as required by this rule.
