HORSE RACING
Part XIII. Wagering
Chapter 107. Exacta

§10701. Object; Separate Pool

EMERGENCY RULE

A. ...

B. An exacta "Jackpot" may be offered instead of the exacta wager. The exacta "Jackpot" wager shall be held entirely separate from all other pools and is in no way a part of the daily double or the win, place or show pools. It may not be offered concurrently with an exacta wager during any race meet. The exacta "Jackpot" shall identify as such by the association conducting the meet, and may be given a distinctive name, subject to approval by the commission. The exacta "Jackpot" wager is the same in all respects as the exacta, except that the net pool from which wagers are paid is subject to a withholding of 3% to fund a separate jackpot pool. The exacta "Jackpot" pool shall be calculated and paid follows:

1. Ninety-seven percent of the net exacta pari-mutuel pool shall be distributed to ticket holders correctly selecting, in order, the official first and second place finisher in the designated exacta race.

2. Three percent of a net exacta pari-mutuel pool shall be withheld in a separate "Jackpot" pool to be paid as follows:

a. When the official second-place finisher of a race on which an exacta wager is authorized pays \$40 or greater in the place pool, then the "Jackpot" pool shall be distributed to ticket holders correctly selecting the official first and third place finishers.

b. Whenever the conditions of an exacta "Jackpot" wager are not met in a race, the 3% withheld shall be deposited in a separate "Jackpot" pool and carried over from race to race until such time as the conditions for payout are met.

c. Whenever the conditions of an exacta "Jackpot" wager are met in a race, all sums then held in the "Jackpot" pool shall be paid.

AUTHORITY NOTE: Promulgated in accordance with R.S. 4:149.

HISTORICAL NOTE: Promulgated by the Department of Commerce, Racing Commission, LR 2:442 (December 1976), amended LR 3:38 (January 1977), LR 4:283 (August 1978), LR 32: (2006).

§10707. Dead Heats

EMERGENCY RULE

A. ...

B. Where there is a dead heat for win or place on an exacta "Jackpot" race, the conditions to payout the "Jackpot" are met if any horse pays a sum of \$40 or greater in the place pool. In this event, the exacta "Jackpot" funds will be disbursed equally between all combinations of exacta "Jackpot" tickets correctly selecting, in order, the first and third place finishers.

AUTHORITY NOTE: Promulgated in accordance with R.S. 4:149.

HISTORICAL NOTE: Promulgated by the Department of Commerce, Racing Commission, LR 2:442 (December 1976), amended LR 3:38 (January 1977), LR 4:283 (August 1978), LR 32: (2006).

§10709. No Ticket Sold with Winning Combination

EMERGENCY RULE

A. ...

B. If the conditions for payout of the exacta "Jackpot" pool are not met on or before the second to last race of the association meeting, all funds accumulated in the "Jackpot" wager pool shall be added and equally distributed to the win, place, show, exacta, trifecta and superfecta pools on the last race of the meet. There shall be no deduction made for the exacta "Jackpot" wager on the last race of the meet.

AUTHORITY NOTE: Promulgated in accordance with R.S. 4:149.

HISTORICAL NOTE: Promulgated by the Department of Commerce, Racing Commission, LR 2:442 (December 1976), amended LR 3:38 (January 1977), LR 4:283 (August 1978), LR 32: (2006).

Chapter 115. Triple Play

§11515. Scratches and Nonstarters

EMERGENCY RULE

A. In the event a triple play ticket designates a selection in any one or more of the races comprising

the triple play and that selection is scratched, excused or determined by the stewards to be a nonstarter in the race, prior to the official start of the first leg, all tickets designating that horse shall be refunded and the money deducted from the pool.

B. In the event the scratch was made in the second leg after the start of the first leg, a consolation payoff shall be computed for those bets combining the winners of the first and third legs with the scratched betting interest as follows: from the gross pool shall be deducted the statutory take-out and then the amount represented by bets on combinations involving betting interests scratched from the third leg (reduced by the take-out thereon). The resulting remainder shall be divided by the amounts bet on the combination of such first and third leg winners with all betting interests (less breakage) to determine the consolation price per dollar payable to those bets combining winners of the first and third legs with a betting interest scratched in the second leg. The breakage shall not be deducted from the pool.

C. If a betting interest is scratched in the third leg after the start of the first leg, a consolation payoff shall be computed as for those bets combining the winners of the first and second legs with such scratched betting interest as follows: from the gross pool shall be deducted the statutory take-out and then the amount represented by bets on combinations involving betting interests scratched from the second leg (reduced by the rate of the take-out thereon). The resulting remainder shall be divided by the amount bet on the combination of such first and second leg winners with all betting interests in the third leg (less breakage) to determine the consolation price per dollar payable to those bets combining winners of the first and second legs with an betting interest scratched in the third leg. The breakage shall not be deducted from the pool.

D. If betting interests are scratched in both the second and third legs after the start of the first leg, a consolation payoff shall be computed for those bets combining the winner of the first leg with the betting interests scratched in both the second and third legs as follows: from the gross pool shall be deducted the takeout and the remainder shall be divided by the amount bet on the winner of the first leg combined with all other betting interests (less breakage) to determine the consolation price per dollar payable to those tickets combining the winner of the first leg

with the scratched betting interests from both the second and third legs. The breakage shall not be deducted from the pool.

E. If all three legs of the triple play are cancelled or declared "no contest," the entire pool shall be refunded.

AUTHORITY NOTE: Promulgated in accordance with R.S. 4:149, R.S. 4:149.1 and R.S. 4:149.2.

HISTORICAL NOTE: Promulgated by the Department of Commerce, Racing Commission, LR 14:80 (February 1988), amended by the Office of the Governor, Division of Administration, Racing Commission, LR 32: (2006).

§11517. Dead Heats

EMERGENCY RULE

A. In the event of a dead heat for win between two or more horses in any triple play race, all the horses in the dead heat for win shall be considered as official winning horses in the race for the purpose of calculating the pool and payoffs. There shall be a separate payoff price, per dollar calculated, for each winning combination as follows: from the gross pool is deducted the takeout, consolation payoff amounts, if any, and amounts wagered on all winning combinations. The balance shall be divided by the number of different winning combinations upon which bets were sold, each resulting allocated part being assigned to each respective winning combination. An allocated part plus the amounts bet on each winning combination when divided by the amount bet on each winning combination (less breakage) shall be the resulting payoff per dollar per respective winning combination.

AUTHORITY NOTE: Promulgated in accordance with R.S. 4:149, R.S. 4:149.1 and R.S. 4:149.2.

HISTORICAL NOTE: Promulgated by the Department of Commerce, Racing Commission, LR 14:80 (February 1988), amended by the Office of the Governor, Division of Administration, Racing Commission, LR 32: (2006).

Chapter 116. Pick Four

§11615. Dead Heats

EMERGENCY RULE

A. In the event of a dead heat for win between two or more horses in any pick four race, all such horses in the dead heat for win shall be considered as winning horses in the race for the purpose of calculating the pool and payoffs. There shall be a separate payoff price, per dollar calculated, for each

winning combination as follows: from the gross pool is deducted the takeout, consolation payoff amounts, if any, and amounts wagered on all winning combinations. The balance shall be divided by the number of different winning combinations upon which bets were sold, each resulting allocated part being assigned to each respective winning combination. An allocated part plus the amounts bet on each winning combination when divided by the amount bet on each winning combination (less breakage) shall be the resulting payoff per dollar per respective winning combination.
